SUBJECT: MATHEMATICS

We are in a big park. Different kinds of trees and birds are there. Count them and write the number in the boxes given below.

The illustration shows a park with several types of trees and birds. The trees include palm trees, a tree with round fruits, and five banana trees. The birds include a peacock, several small birds, and a toucan. To the right of the scene is a vertical column of boxes for counting, and at the top are two boxes for specific bird counts.
